Dear parents and guardians,

We are thankful for your trust in Eduwis Preschool. As the New 1st semester 2025 is approaching, we would like to remind you to confirm your child enrolment in our centre.

We have always tried to provide quality education and learning. There is no parallel of our centre when it comes to quality education at an affordable fee. Since we invest in our children to make them bright children and responsible citizens we want to facilitate them with better facilities and environment. For this purpose, we have to increase our fee amount so that we can provide even better education and facilities to our students.

Please return this letter and attach/forward payment slip/proof to us before **10th January 2025**.

Attached you will find **1st semester fee 2025** structure for your reference.

Thank you for your kind cooperation.

Yours sincerely,

The Principal of Eduwis Tamarind Square
