Area Of Learning :
1. PD- Moving and Handling
2. CL- Understanding
Kindness-themed slime play encourages sharing and empathy. This is a fantastic sensory exploration and fosters creativity. She is trying to associate the slime with the word 'Respect' and she shows enjoyment in learning through hands-on experience. She also develops her ideas through imaginative play. Well done, Misykah!

Area Of Learning :
1. PD- Moving and Handling
2. CL- Understanding, Speaking
Pancake decorating faces! In conjunction with emotions theme activity, for little chef, Misykah will be decorating her pancake with fruits and chocolate chips. She put chocolate spread on top of the happy face and lastly, she drizzled it with maple syrup. Yummy!

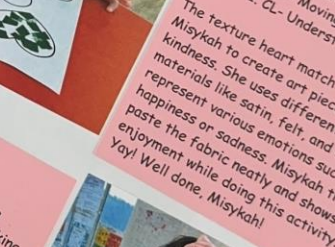

Area Of Learning :
1. PD- Moving and Handling
2. CL- Understanding
The texture heart match activity Misykah to create art pieces as act kindness. She uses different types of materials like satin, felt, and lace to represent various emotions such as happiness or sadness. Misykah tries to paste the fabric neatly and shows enjoyment while doing this activity. Yay! Well done, Misykah!
