NO SUBJECT		BAND	DESCRIPTION	SUBJECT TEACHER'S COMMENT
1	ENGLISH LANGUAGE	5	- Pupil can read simple sentences and short simple texts with little or no guidance. - Pupil can give basic opinions, tell basic stories and describe basic everyday routines with no guidance.	Saif Mifzal performs very well in English and demonstrates good ability in speaking, listening, reading, and writing. He actively participates in lessons and communicates his ideas effectively. Continued practice and regular reading will help him further develop fluency and vocabulary.
2	BAHASA MELAYU	4	Pelajar mencapai pengetahuan dan kemahiran bahasa dengan tahap baik. Dia dapat memberi maklum balas terhadap ayat tunggal semasa mendengar, membaca ayat dengan sebutan yang betul dan memahami maklumat yang dibaca di samping menulis karangan serta mengedit penulisan.	Saif menunjukkan penguasaan Bahasa Melayu yang baik dan mampu mengaplikasikan kemahiran bahasa dalam pelbagai situasi pembelajaran. Saif juga dapat mengemukakan idea dengan jelas serta menunjukkan pemikiran yang baik.
3	PHYSICAL EDUCATION & HEALTH EDUCATION	4	- Pupil can perform gymnastic activities, rhythmic movements using straight steps, basic games, basic athletics, aquatics or recreation and leisure as well as physical fitness exercises correctly. - Pupil can describe the importance of managing sexual dignity, limits of touch, increasing self-confidence, family relationships, conflict, personal safety, preventing mosquito-borne diseases, saying NO to smoking, eating nutritious snacks and minor injuries in daily life.	Saif mempunyai kemahiran dan penguasaan yang memuaskan dalam aktiviti fizikal. Boleh mengikuti kemahiran fizikal tetapi kurang dalam melakukan cabaran. Tahap penguasaan dalam pengetahuan am juga pada tahap memuaskan. Semoga terus berusaha dan maju jaya!
4	SCIENCE	4	Pupil is able to describe the knowledge and scientific skills systematically in solving a problem related to reproduction and growth in human, animals and plants, the formation of shadows, a complete electric circuit, mixture, the water cycle, the air movement, building set and also willing to try.	The student consistently demonstrates excellent progress in achieving the learning objectives. The student is able to understand and apply Science concepts confidently and independently in a variety of learning situations. To further extend learning, the student should continue to explore scientific ideas, ask thoughtful questions, and make meaningful connections between Science and everyday life.
5	INFORMATION & COMMUNICATION TECHNOLOGY	5	Pupil is able to solve the problem related to the rules and regulation of computer lab, ethics by learning online, keyboard shortcut, create table, power point slide and Microsoft Paint in cooperatively and diligently with perseverance.	Shows very good achievement in ICT and is able to apply digital skills effectively. Demonstrates consistent effort and a positive attitude towards learning.
6	MATHEMATICS	4	Pupil is able to solve word problems related to daily life in whole numbers up to 1000, solve number sentences involving addition, subtraction, multiplication and division operations involving whole numbers and money, fractions and decimals, time, measurements, two-dimensional and three-dimensional shapes and bar chart through mathematical process skills such as communication, problem	Saif demonstrates a satisfactory understanding of the topics covered. Consistent practice and greater participation during class discussions will support his progress. Good luck.

solving, reasoning, representation and relation by completing the activities correctly and systematically.

- Menentukan penggunaan bahasa seni visual, media, teknik dan proses yang sesuai dalam aktiviti penerokaan.
- Menilai idea kreatif dan inovatif dalam aktiviti penghasilan karya.
- Menilai karya dengan menggunakan pengetahuan dan kemahiran seni visual.

Murid menunjukkan minat yang baik dalam aktiviti Pendidikan Seni Visual. Hasil kerja yang dihasilkan adalah kemas dan memenuhi kehendak tugas yang diberikan. Murid dapat mengaplikasikan elemen serta prinsip seni dengan baik dalam penghasilan karya. Teruskan usaha cemerlang dan kekalkan sikap positif dalam mengembangkan bakat seni.

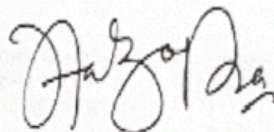

CLASS TEACHER'S COMMENT

Saif is a good student in class and shows positive effort in his learning. He is able to complete tasks well, however he sometimes needs to improve his focus during lessons. Saif demonstrates good performance and has the potential to continue excelling.
